El moderno Método Billings, desarrollado por los esposos y médicos John y Evelyn Billings, es fácil de aprender, seguro y eficaz, comprobado en todo el mundo para posponer el embarazo o para planear y encargar bebitos.

Novios: Aprendan antes de casarse el Método Natural Billings y eviten así los danos y maldiciones de los anticonceptivos.

Esposos: No dañen mas la salud y la vida de los esposas y eviten en su matrimonio los nocivos anticonceptivos.

Plan de Dios para la Planificación Familiar

Confía!
Dios tiene un plan
para tu matrimonio.

- La Fertilidad es una señal de salud, solo las mujeres sanas tienen fertilidad.
- Los anticonceptivos causan danos físicos, morales, espirituales, y psicológicos.

(No dañen su salud con los anticonceptivos, aprendan este método natural, cuida tu salud, tu matrimonio, y tu alma. En cambio los anticonceptivos pueden causar cáncer y provocar abortos químicos. Su uso es pecado grave.)

Did You Know? How to Report Inappropriate or Illegal Content on the Internet

One of the main reasons that children do not report the inappropriate content they find online is fear of punishment from parents. If you let them know that it is not their fault if they come across an inappropriate site, they will be more willing to come to you when it happens. If your children ever show you a site that contains illegal behavior, such as pornographic images of children, contact your Internet service provider and the CyberTipline at www.cybertipline.com.

SABÍA USTED? Como Reportar Contenido Inadecuado o Ilegal en el Internet

Una de las razones principales que los niños no divulgan el contenido inadecuado que encuentran en Internet es por miedo al castigo de los padres. Si les deja saber que no es culpa de ellos si atraviesan por un sitio de Internet inapropiado, estarán más dispuestos a venir a usted cuando esto pase. Si sus hijos le muestran un sitio de Internet que contiene materia ilegal, como imágenes pornográficas de niños, póngase en contacto con su proveedor de servicios de Internet y la CyberTipline en www.cybertipline.com.

One initiative to celebrate the Year of Consecrated Life in the United States is several "Days with Religious" at convents across the nation. Sponsored by the USCCB, the first day is on Sunday, February 8, 2015. Local convents will open their doors to the community, offer tours, and answer questions about religious life. Local religious sisters will be on hand to answer questions about customs, traditions, and religious life overall.

Participate in this nationwide "Meet the Religious Day" by visiting us on February 8, 2015.
