Lent begins on Ash Wednesday, February 18th

- Ash Wednesday, a day of fasting, is the first day of Lent in Western Christianity. It occurs 46 days before Easter and can fall as early as 4 February or as late as 10 March. Ash Wednesday is observed by many Western Christians, including Catholics, Lutherans, Methodists, Anglicans, and Presbyterians.

† RULES OF FAST & ABSTINENCE PER CANON LAW:

Abstinence The law of abstinence requires Catholics 14 years of age and over to abstain from eating meat on Ash Wednesday and all the Fridays of Lent in honor of the Passion of Jesus. Meat is considered to be the flesh and organs of mammals and fowl. Also forbidden are soups or gravies made from them. Salt and freshwater species of fish, amphibians, reptiles and shellfish are permitted, as are animal-derived products such as margarine and gelatin which do not have any meat taste.

Fasting The law of fasting requires Catholics from ages 18 to 59 to reduce the amount of food eaten from normal. The Church defines this as one meal a day, and two smaller meals which if added together would not exceed the main meal in quantity. **Such fasting is obligatory on Ash Wednesday and Good Friday.** The fast is broken by eating between meals and by drinks which could be considered food (milk shakes, but not milk).

Who is DISPENSED from fast and abstinence?: Those of unsound mind, the sick, the frail, pregnant or nursing women according to need for meat or nourishment, manual laborers according to need, guests at a meal who cannot excuse themselves without giving great offense or causing enmity, and those in other situations of moral or physical impossibility.

Did You Know? **How to Report Inappropriate or Illegal Content on the Internet**

One of the main reasons that children do not report the inappropriate content they find online is fear of punishment from parents. If you let them know that it is not their fault if they come across an inappropriate site, they will be more willing to come to you when it happens. If your children ever show you a site that contains illegal behavior, such as pornographic images of children, contact your Internet service provider and the CyberTipline at www.cybertipline.com.

SABÍA USTED? **Como Reportar Contenido Inadecuado o Ilegal en el Internet**

Una de las razones principales que los niños no divulgan el contenido inadecuado que encuentran en Internet es por miedo al castigo de los padres. Si les deja saber que no es culpa de ellos si atraviesan por un sitio de Internet inapropiado, estarán más dispuestos a venir a usted cuando esto pase. Si sus hijos le muestran un sitio de Internet que contiene materia ilegal, como imágenes pornográficas de niños, póngase en contacto con su proveedor de servicios de Internet y la CyberTipline en www.cybertipline.com.
