Attention! The Archdiocese of Los Angeles is asking all parishioners to take the time to read the following information on the upcoming State Senate Bill SB 128, on Physician Assisted Suicide. Next Sunday, April 19th we will have a table set up in the patio near the bookstore after Mass so you can sign a petition opposing assisted suicide. Anyone who understands the issue including minors can sign this petition. You do not need to be a registered voter to sign this petition.

"You are the light of the world. A city on a hill cannot be hidden." (Matt 5:14)

Help Stop Physician Assisted Suicide

Your help is needed to stop a dangerous bill from becoming law.

Sacramento: State Senate Bill SB 128, *End of Life*, proposes to legalize physician assisted suicide in California. The bill is being deliberated in the state Senate. **Letters, calls and petitions urging your state senator to OPPOSE SB 128 are needed now.**

Physician assisted suicide makes doctors into killers, destroying the medical ethic of "Do no harm." It results in medical rationing, as seen with the Oregon "Death With Dignity Act", **after which SB 128 is modeled.** A lethal prescription is offered by the Oregon state health plan when medical treatment coverage is denied.

Once legal, suicide could be encouraged to preserve an inheritance, hide medical malpractice, or increase HMO profit. No real safeguard can be made to prevent this. The Oregon Health Services department admits they **"cannot determine whether physician assisted suicide is being practiced outside the framework of the Oregon Death With Dignity Act."**

In Holland, physician assisted suicide quickly moved from being voluntary to involuntary with select patients being given a lethal dose of drugs **without** request. Some elderly and vulnerable there forego needed hospitalization out of fear of being killed by the physician.

Senator Ben Allen will be voting on SB 128. He was elected to represent you and needs to hear from you now.

TAKE ACTION!

1. Contact Senator Ben Allen and urge him to vote NO on SB 128. Tell him this bill would cause doctors to become killers and could be used to ration medical treatment. There is no real safeguard against coercion to use physician assisted suicide. Physician assisted suicide has a history of degenerating into mercy killing and genocide.

2. Sign the Petition urging Legislators to oppose assisted suicide.

ATENCIÓN! La Arquidiócesis de Los Ángeles nos pide que nos informemos de La SB 128 que legalizaría el suicidio asistido por médico en California. El Papa Francisco nos recuerda: “El mandamiento bíblico es honrar a nuestros padres esto nos recuerda un sentido mas amplio de nuestro deber de honrar a toda persona de la tercera edad.” Es hora de tomar acción para proteger a las personas de la tercera edad y con discapacidades. Visita la pagina de web: archla.org/sb128 para obtener mas información, póngase en contacto con su legislador, e involúrese.

El próximo Domingo, 19 de Abril tienen la oportunidad de firmar una petición oponiéndose al suicidio asistido. Habrá una mesa afuera después de la Misa en el área del jardín, para que todos que entiendan este asunto puedan firmar esta petición; incluyendo menores de edad. No tienen que ser registrados para votar.
