New Bible study

UNLOCKING THE MYSTERY OF THE BIBLE

Begins Tuesday, September 6, 2016

If you would like to have a deeper relationship with God and a better understanding of your faith, then join us for *Unlocking the Mystery of the Bible*. We will begin *Unlocking the Mystery of the Bible* on, **Tuesday, September 6th. @ 7:00 pm, at the Catechism Center**

Unlocking the mystery of the Bible helps you uncover the story woven through Scripture. It is a great way to get the "big picture" of the Bible and see how our Catholic Faith is rooted in Scripture. Every Tuesday evening from September 6th through October 25th. Each video will be followed by a lively group discussion.

Van: Dear St. Gerard We are very much in need of your help and heavenly intercession. As I am in my mid 40, and really want God to bless us with another child for my 6 years old daughter to have a sibling to love and to play with. There are so many heart breaking moments that we saw her longing for a sibling. If it is God's will, please intercede for us and grant us with another child. You, dear St. Gerard once wholeheartedly asked to be accepted into the convent, please have mercy on us, as we are in the same shoes as you were, and wholeheartedly beg you , so that you will be our intercessor and ask God to grant our request. Forever and ever we are grateful to you, dear St. Gerard.

Anon: For all couples battling infertility, especially those due to illness or other physical complications, may they continue to rely on your loving embrace, Lord.

Sabe Usted? Enseña a los niños cómo identificar el acoso o “bullying”

El acoso o “bullying” es un problema desafortunado en escuelas en todo el país, y no importa qué tan amable o amistosos sean sus hijos, ellos van a cruzarse con acosadores. Ya sea que sus hijos sean las víctimas de un acosador o no, ellos deben estar al tanto de las señales clásicas del acoso: provocación, dar empujones, violencia o amenazas de cualquier tipo, y más. Mientras el acoso no siempre escala al contacto físico o a la violencia, sus hijos deben ser capaces de identificar el contacto físico que los pone incómodos y deben saber con quién y dónde ir para reportar problemas. Para más información, visite [ahttps://www.faithandsafety.org/bullying](https://www.faithandsafety.org/bullying).

DID YOU KNOW? Teach kids how to identify bullying

Bullying is an unfortunate problem in schools across the country, and no matter how nice or friendly your children are, they are going to run across bullies. Whether your children are victimized by a bully or not, they should be aware of the classic signs of bullying—teasing, pushing, shoving, violence or threats of any kind, and more. While bullying does not always escalate to physical touching or violence, your children should be able to identify touches that they are uncomfortable with, and should know where to go to report issues. For more information, visit: <https://www.faithandsafety.org/bullying>.
