ISLAMIC TERROR ON THE MARCH

Islamic terrorists have unleashed a merciless attack on Christians (and other minority groups) all across the middle east but now especially in Iraq. Sadly, most people in the West are unaware or uninterested.

The homes of Christians are being marked with the Arabic letter “n” which means “Nazarene,” an Islamic slur for those who follow Christ. Men and women and **even children** are being murdered by crucifixion and decapitation just because they are Christians.

One very graphic video shows a young man who is told he will be spared if he renounces his Christian faith and embraces Islam. Someone [off camera] leads the frightened man (who is on his knees with his hands tied behind his back) in a renunciation of his faith. But then the order is given to kill him because, “He didn’t really mean it.” What follows is a horrific scene in which a masked executioner literally hacks off the head of the victim with a sword while the frenzied crowd of Mohammedans shouts “praises” to their god, “Allah.”

America, under its current leadership, has been virtually unresponsive to the plight of these Iraqi Christians. A senior Vatican official has made an unprecedented plea for some sort of military intervention to defend helpless men, women and children who are being massacred by the thousands in Iraq. According to Catholic Church leaders on the ground in that country, President Obama’s limited air strikes and isolated humanitarian air drops have been largely ineffective in stopping the bloody march of these Muslim terrorists.

Not since the rise of Adolph Hitler and Nazism has the world seen such wide scale atrocities. Meanwhile, the leader of the free world remains largely unmoved by the plight of these victims of Islamic rage or he is simply distracted by other concerns like LGBT “rights” and golf.

What can we do? The most powerful weapon is prayer. Let us get on our knees and plead for those who are suffering and dying at the hands of these Islamic butchers. Holy Mary, Queen of Peace, intercede for them!

TERROR ISLAMICO EN MARCHA

Islamic terroristas han desatado un ataque despiadado a los cristianos (y otros grupos minoritarios) en todo el Medio Oriente, pero ahora especialmente en Irak. Tristemente, la mayoría de la gente en Occidente no son conscientes o desinteresados. **Las casas de los cristianos están siendo marcados** con la letra árabe "N", que significa "Nazareno", un insulto islámica para aquellos que siguen a Cristo. Los hombres y las mujeres e **incluso los niños** están siendo asesinados por crucifixión y decapitación sólo porque son cristianos.

Un video muy gráfico muestra a un hombre joven que se dijo que fuera salvado si renunciaba a su fe cristiana y abraza el Islam. Alguien [fuera de cámara] conduce al hombre joven asustado (quien está de rodillas con las manos atadas a la espalda) en una renuncia a su fe. Pero entonces se da la orden de matarlo porque, "Él no lo decía en serio."

Lo que sigue es una escena horrible en el que un verdugo enmascarado corta, literalmente, la cabeza de la víctima con una espada mientras la multitud frenética de mahometanos grita "alabanzas" a su dios, "Allah".

América, bajo su liderazgo actual, virtualmente no ha respondido a la difícil situación de los cristianos iraquíes. Un alto funcionario del Vaticano ha hecho una declaración sin precedentes para algún tipo de intervención militar para defender a hombres indefensos, mujeres y niños que están siendo masacrados a millares en Irak. De acuerdo con la Iglesia Católica de planta en ese país, los ataques aéreos limitados del presidente Obama y aisladas aéreos caídas humanitarios han sido en gran medida ineficaz para detener la sangrienta marcha de estos terroristas musulmanes.

No desde el ascenso de Adolfo Hitler y el Nazismo se ha visto en el mundo tales atrocidades a gran escala. Mientras tanto, el líder del mundo libre sigue siendo en gran medida indiferente a la difícil situación de estas víctimas de la furia islámica o simplemente está distraído por otras preocupaciones como LGBT "derechos" y golf.

¿Qué podemos hacer? El arma más poderosa es la oración. Pongámonos de rodillas y suplicar por aquellos que están SUFRIENDO y muriendo a manos de estos carniceros islámicos. Santa María, Reina de la Paz, interceda por ellos!

The chairperson of the Safeguard the Children Parish Committee should be a volunteer who is a member of the parish/school community and not an employee of the parish. This is important for two reasons: 1) it brings in a new perspective and energy from the parish community; 2) it does not overburden staff members. For more information please call your parish or school office or visit: <http://www.la-archdiocese.org/org/protecting/safeguard/Documents/2013-STCParishHandbook.pdf>

"California was among the first outposts for the evangelization of America. California must now become a leader in the new evangelization of our country."

~ Archbishop Jose H. Gomez

~ Arzobispo José H. Gómez

Once, St. Teresa was overwhelmed with God's Goodness and asked Our Lord, "How can I thank you?" Our Lord replied, "Attend one Mass."

"Si mi pueblo, sobre el cual es invocado mi nombre, se humilla, orando y buscando mi rostro, y se convierten de sus malos caminos, entonces yo oiré desde los cielos, y perdonaré sus pecados y sanaré su tierra."

2 Crónicas 7: 14

"If my people who are called by my name will humble themselves and pray and seek my face, and turn from their wicked ways, then will I hear from heaven, and I will forgive their sins and heal their land."
