## Quotes of the Week

**GUARDIANS FOR VALUABLE SOULS:** So valuable to heaven is the dignity of the human soul that every member of the human race has a guardian angel from the moment the person begins to be. - St. Jerome

**IMPOSSIBLE:** Start by doing what is necessary, then do what is possible; suddenly you are doing the impossible. - St. Francis of Assisi

"Your experience of the Mass will change if you try to get there a little early, so you have time to settle your mind and prepare your heart. Try to enter the sanctuary slowly, reverently and without speaking. Spend a few minutes kneeling and talking to Jesus Christ with real intimacy in the silence of your heart."

~ *Archbishop Jose H. Gomez*

"Tu experiencia de la Misa te cambiara si intentas llegar un poco temprano, para establecer tu mente y preparar tu corazón. Trata de entrar al santuario con calma, reverencia y sin hablar. Dedicar unos minutos arrodillado y habla con Jesucristo con verdadera intimidad en el silencio de tu corazón."

~ *Arzobispo José H. Gómez*

## **Did You Know? Learn to stop inappropriate activity before it happens.**

Teach your child to respect the word “stop!” Teach your preschooler that “stop” means “stop,” and that your child has the right to stop people from touching his or her body. Obviously, exceptions will have to be made for doctors and parents, but even parents must listen when a child doesn't want to be tickled or hugged anymore. Reinforcing this excellent lesson gives your child the power to recognize -- and to stop -- “bad touching” by others if it should happen.

## **¿SABÍA USTED? Póngale alto a actividades inapropiadas antes que sucedan.**

Enseñe a sus niños a respetar la palabra “alto”. Enseñe a sus hijos preescolares que “alto” significa “alto” y que sus hijos tienen el derecho de ponerle alto a personas que tocan su cuerpo. Obviamente, excepciones tendrán que ser hechas para los médicos y los padres, pero incluso los padres deben escuchar cuando un hijo no desea ser cosquilleado o abrazado. Reforzar esta excelente lección da a sus niños el poder de reconocer – y poner alto – al “contacto físico inapropiado” por parte de otros, si llegara a suceder.

EACH OF US IS A  
**MASTERPIECE**  
OF GOD'S CREATION.

Imagine yourself pausing in front of a design of great beauty. Your soul quiets and is filled with wonder and awe.

If art, created by man, can evoke such a response within us, how much more is the same wonder, reverence and respect due to each person we encounter, who was handcrafted by the very God who spoke the world into being?

Now think of an artist stepping back from a great work of art and admiring his or her creation.

When God created each of us, He did so with precision and purpose, and He looks on each of us with love that cannot be outdone in intensity or tenderness.

Moreover, the Lord invites each of us to behold ourselves and each other with the same wonder and awe.

No matter how the world might view us or others, let us treat each person as the masterpiece that he or she is.

*“Even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God's creation, made in his own image, destined to live forever, and deserving of the utmost reverence and respect.”*
